4. The offense will get 6 points for a touchdown. After a touchdown, the offense can choose to have the ball placed at the 3-yard line for a 1-point conversion or the 7-yard line for a 2 point conversion. Ball placed in the middle of field.
5. If the offense turns the ball over on downs, or interception, the other team will take over and start the next possession at the 35 yard line. (Fumble = Dead Ballspot)
